Part 6: Timeliness of Grades

Quality Benchmark: LCME requires that all grades be visible to students prior to 6 weeks from the last day of the clerkship. For the pediatric clerkship, the average time for students to receive grades is 4 weeks 2 days. Below is a graph that compares pediatric to other required clerkships. Please note that this only captures grades that were completed prior to this report and it does not include data on those pending a grade as of 12/7/2021.
